REPORT NOTES

While the Report focuses on condominiums, select information on apartments has been presented. The most recent available data has been used. Below Market Rate (BMR) and senior housing units have been omitted from closings and statistics where possible. Note that it can take a few months before unit closings appear in the public records. Absorption is measured from the start of sales until the current period. The Report covers developments with over 4 units. HOA dues include parking fees, where applicable.
